

Adult Special Education

We encourage ALL adults to submit their work in the age specific category they belong to. However, if anyone with a disability would like to submit their entry under the Special Education Department as well, the rules and instructions are below.

Department Judging

All divisions and categories in the Special Education Department will be judged using the Danish judging system. In the Danish judging system, each entry in a class is judged according to how well it meets a product standard rather than how it compares with other exhibits.
